

Gladstone Power Station Trainee Power Station Operators

NRG

- **Central Queensland coastal lifestyle**
- **Career potential in the power generation industry**

NRG Gladstone Operating Services (NRGGOS), a wholly owned subsidiary of NRG Energy Inc; operates and maintains the 6 unit, 1680MW Gladstone Power Station (GPS); a world class coal fired facility providing safe, reliable, low cost power. The new leadership team is combining the knowledge from an experienced generation with the energy of the younger generation to produce The Next Generation NRG.

Starting in July 2010, NRGGOS will offer individuals an opportunity to develop careers in the power generation industry via several Trainee Power Station Operator positions. The 18 month traineeship will provide successful candidates with an opportunity to undertake a structured program resulting in the attainment of both Queensland Workplace Health and Safety occupational licenses as an Advanced Boiler (BA) and Open Turbine Operator (TO), and a Certificate IV in Electricity Supply Industry Generation (Operations).

The traineeship is a shared learning experience and involves:

- Classroom training in theoretical aspects of modern power station practices
- On-the-job training of all operational aspects of the GPS generating plant
- Working 12 hour shift rosters as required

Interested applicants need not have past experience in power station operations but must possess a relevant engineering trade or related technical qualification with previous experience in a process or heavy engineering industry. Applicants must be career focused, motivated and display a safety-first team oriented approach to work.

Located in Central Queensland, Gladstone has a history of economic growth supported by a growing dynamic community. The City of Gladstone offers a relaxed lifestyle, excellent shopping and sporting facilities and boasts a major regional campus of the Central Queensland University.

Further information on the Gladstone Region is available at www.gladstoneregion.org.au

NRGGOS is an equal opportunity employer, and offers a competitive remuneration package combined with excellent working conditions. A copy of the role description and additional employee information is available from Downing Teal Pty. Ltd; Gladstone.

For further information please contact Leonie Hills on (07) 4970 0800.

Applications closing Friday 12 March 2010 can be submitted via the website
